A Correction.

Southern Amusement Company Coming.

It appears that the News was in error last week in stating that the Southern Amusement Company had cancelled all dates in New Mexico and Colorado. This was a mistake, and we are glad to have an opportunity to correct it. The Southern Amusement Company will be in Clovis and fulfill their engagement here during the week of July 7th to 13th inclusive. We obtained the erroneous impression as stated in last week's issue by reading in the Albuquerque Journal where Mayor Sellers had received a telegram to the effect as stated. This Amusement Co., is one of the largest on the road. It carries fifteen big shows, and a \$10000 Carry-All, Ferris wheel and numerous other attractions. As Clovis will have no 4th of July celebration, the plan is to make this answer for that purpose. The big posters are now being posted on the boards by Bert Curless, who is chairman of the Advertising committee, and according to the present plans it is expected that this will be a gala week in Clovis.

Carl Morris, who will fight here the 16th left Monday for Denver, Colorado where he is scheduled to put on a fight there the 4th.
